### ABOUT SIST

SIST is the only Government Engineering College of Sikkim approved by AICTE located at Chisopani, South Sikkim. The institute is affiliated to Central University Sikkim popularly known as Sikkim University. The institute is established in 2018 under RUSA project, and it offers B.Tech in Civil Engineering and Computer Engineering.

### COURSES OFFERED

#### B. Tech in Computer Engineering

Sikkim Institute of Science and Technology offers Bachelor of Technology in Computer Engineering to a total of 40 students per batch. This academic program combines the field of electrical engineering and computer science to create new computer hardware and software. It involves the designing of computer architecture and function across roles as software and hardware engineers. Computer engineering is responsible for the rise of microchips, powerful processors held within our hands and the race to artificial intelligence robotics and nano-processors. The department of Computer Engineering is at the forefront of turning out software engineers with a high degree of technical expertise.

#### B. Tech in Civil Engineering

Sikkim Institute of Science and Technology was established in 2018. The department of Civil Engineering has been a part of the institution since its inception, with a cumulative enrollment of 40 students in each batch. The field of Civil Engineering involves planning, designing, constructing, maintaining and supervising infrastructures which include facilities essential to modern life like highways, bridges and tunnels, schools, hospitals, airports and other buildings, sewage systems and water treatment facilities. Subsequently, the course also involves protecting the public and environmental health as well as improving existing infrastructure.
